tailments of natural gas delivery, a system for remote control of valves has been installed at each Texas Eastern compressor station. By simply turning a lever, a man can open and close valves larger than himself to divert gas through secondary lines without interruption of gas flow.

The giant valves, powered by the new remote control system, operate with split-second timing. Before the

introduction of automatic valve systems, closing a single pipeline valve sometimes required the work of two men for a period of thirty minutes or more. Now, one man can operate as many as six valves in

In addition, sensitive automatic relief valves keep pressures in the pipelines within the safety range determined by engineers.

These advances in both safety and efficiency in pipline operation are part of Texas Eastern's continuing program to keep its natural gas transmission system one of the most progressive and dependable in the nation.

tailments of natural gas delivery, a system for remote control of valves has been installed at each Texas Eastern compressor station. By simply turning a lever, a man can open and close valves larger than himself to divert gas through secondary lines without interruption of gas flow.

The giant valves, powered by the new remote control system, operate with split-second timing. Before the

introduction of automatic valve systems, closing a single pipeline valve sometimes required the work of two men for a period of thirty minutes or more. Now, one man can operate as many as six valves in

In addition, sensitive automatic relief valves keep pressures in the pipelines within the safety range determined by engineers.

These advances in both safety and efficiency in pipline operation are part of Texas Eastern's continuing program to keep its natural gas transmission system one of the most progressive and dependable in the nation.

## Hangings Not Reassuringto Other Reds

By JAMES MARLOW

WASHINGTON, M-The hanging of the II Czechoslovakian Commit-nist leaders is a little less that reassuring to other Communist that membership in the past is a guarantee of longvity This will hardly be a discourage. ment to them, though, since there are always enough optimists in any group to say: "It can't happen to

The unplensant end which over took the 11 Czechoslovaklaha has even interpreted as the femalt of a struggle for power among the contract of th Uzcehoslovnician Communists them? serves This may be correct? It may also be so incorrect that it sounds innocent The 11 who were nanged had been long-time fauntal, hardworking Communists. Who had surged from the cruise and before their disaster held posstions of great prominence. In other Eastern European counwith a long history of party work behind them, have been toppled and destroyed or are now in tile tt all of them got into trouble sumply because of power struggles among themselves inside their own

## Hangings Not Reassuringto Other Reds

By JAMES MARLOW

WASHINGTON, M-The hanging of the II Czechoslovakian Commit-nist leaders is a little less that reassuring to other Communist that membership in the past is a guarantee of longvity This will hardly be a discourage. ment to them, though, since there are always enough optimists in any group to say: "It can't happen to

The unplensant end which over took the 11 Czechoslovaklaha has even interpreted as the femalt of a struggle for power among the contract of th Uzcehoslovnician Communists them? serves This may be correct? It may also be so incorrect that it sounds innocent The 11 who were nanged had been long-time fauntal, hardworking Communists. Who had surged from the cruise and before their disaster held posstions of great prominence. In other Eastern European counwith a long history of party work behind them, have been toppled and destroyed or are now in tile tt all of them got into trouble sumply because of power struggles among themselves inside their own

## Hangings Not Reassuringto Other Reds

By JAMES MARLOW

WASHINGTON, M-The hanging of the II Czechoslovakian Commit-nist leaders is a little less that reassuring to other Communist that membership in the past is a guarantee of longvity This will hardly be a discourage. ment to them, though, since there are always enough optimists in any group to say: "It can't happen to

The unplensant end which over took the 11 Czechoslovaklaha has even interpreted as the femalt of a struggle for power among the contract of th Uzcehoslovnician Communists them? serves This may be correct? It may also be so incorrect that it sounds innocent The 11 who were nanged had been long-time fauntal, hardworking Communists. Who had surged from the cruise and before their disaster held posstions of great prominence. In other Eastern European counwith a long history of party work behind them, have been toppled and destroyed or are now in tile tt all of them got into trouble sumply because of power struggles among themselves inside their own

## Hangings Not Reassuringto Other Reds

By JAMES MARLOW

WASHINGTON, M-The hanging of the II Czechoslovakian Commit-nist leaders is a little less that reassuring to other Communist that membership in the past is a guarantee of longvity This will hardly be a discourage. ment to them, though, since there are always enough optimists in any group to say: "It can't happen to

The unplensant end which over took the 11 Czechoslovaklaha has even interpreted as the femalt of a struggle for power among the contract of th Uzcehoslovnician Communists them? serves This may be correct? It may also be so incorrect that it sounds innocent The 11 who were nanged had been long-time fauntal, hardworking Communists. Who had surged from the cruise and before their disaster held posstions of great prominence. In other Eastern European counwith a long history of party work behind them, have been toppled and destroyed or are now in tile tt all of them got into trouble sumply because of power struggles among themselves inside their own
